The FZR 400 is a screaming great bike for a light weight rider or a girl who wants to keep up with the guys and spank them in the corners on a very rare and collectible bike.

The bike is in excellent condition. It was polished

on right side. All stock and professionally maintained.

The bike does have a salvage title. It was dropped at the dealership the day it was sold. The dealer had it totaled for cosmetic damage, replaced all parts and bought it for himself there is nothing wrong with the bike at all. Clean title FZR 400s sell in the \$7000-\$8000 range.

Phone calls preferred. Text is ok but you will be expected to make a phone call.

Attention Scammers!!!

Before you decide to call me with your bullshit, please go stand in front of a train. I do not pay pal. No I wont accept your bullshit check. No I wont ship it to you because you, your mom, your dad or your dirty pig of a grandmother is in the military and deployed. No offense to US Military, I am a vet myself. I just know this ploy and it wont work. Dont waste our time.

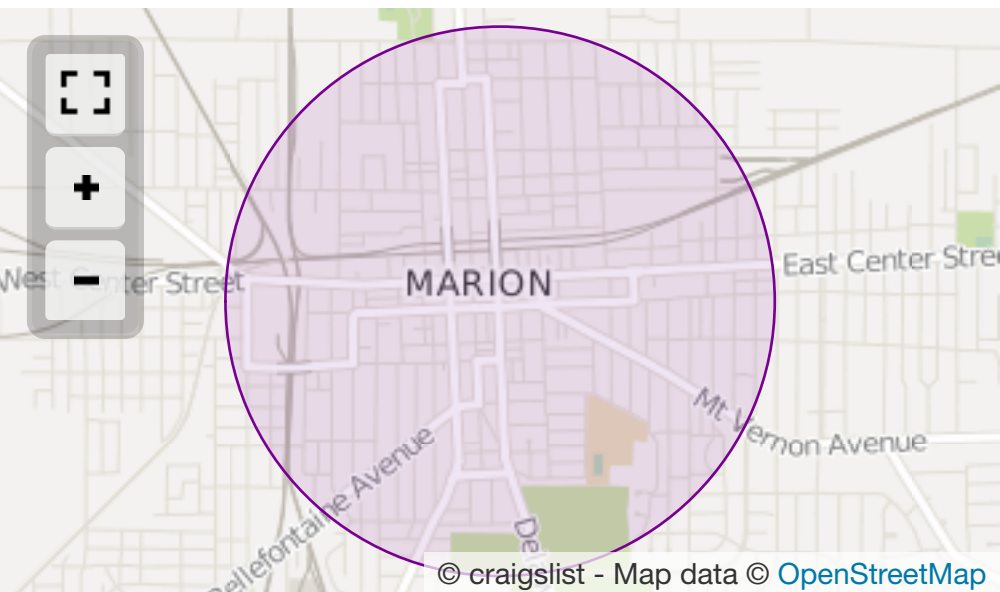

Low ball offers and stupid questions get stupid replys and answers.

Yes. I will consider trades for things like a good van, aircraft engines, avionics, manly toys and tools and the like.

I will not accept trades for your grandpa's old bass boat or your mothers porcelain bunny collection or crap like that.

Expect to pay in cash and expect the transaction to take place in the presence of a police officer.

I think that about covers it so if you are interested contact me.
